

SEE BOBO RUN

The LOFOB Early Childhood Development Programme has served families since 1988. LOFOB currently works with 54 children, 41 of which are home-based.

We need a new vehicle to keep supporting our home-based children.

See Bobo Run is part of the LOFOB Blind Buddy Campaign, which financially supports the Early Childhood Development Programme. All proceeds ensure that LOFOB is able to provide high quality services at no cost.

Goal R129 300

A new vehicle costs R165 000.

Last year, See Bobo Run raised R37 500.
We still need R129 300.
